**PVC Fittings & Accessories for the Power Utility and Communication Markets**

CANTEX offers a complete line of Fittings and Accessories for the extensive Power, Utility and Communications markets.

All of our PVC fittings are easy-to-install and offer non-conductivity, high impact, tensile strength, industry certifications (where applicable), and resistance to a wide range of chemicals, acids, and salt. Our DB Fittings and Accessories are perfect for direct burial and/or encased burial applications. Since they connect seamlessly with other DB & EB utility products, they make it easy to convert entire electrical infrastructures to PVC through a single source—CANTEX.
